TO BE HELD AT

YPSILANTI, MICHIGAN,

Tuesday, Wednesday, Thursday and Friday,

SEPT. 23, 24, 25, 26, 1884.

PREMIUMS AND REGULATIONS.

YPSILANTI, MICH.:
THE YPSILANTIAN JOB PRINTING HOUSE.
1884.

RULES AND REGULATIONS.

1. Any person paying into the Treasury one dollar is thereby constituted a member of the Society for one year, and is entitled to receive four admission tickets, and to the privilege of entering articles or animals for exhibition.

2. Admission tickets, twenty-five cents; children under twelve years of age, ten cents.

3. Each conveyance entering the ground on the second, third, and fourth days, shall pay a daily charge of twenty-five cents. On payment of said sum, the Treasurer will furnish members with a carriage ticket for the day, to be attached to the harness, so as to be easily seen by the gate-keeper.

4. All articles intended for exhibition must be entered at the business office, at the entrance of the show ground, before entering the enclosure; and particular care should be taken that they be entered in their proper classes.

5. The Superintendents will receive the articles designed for exhibition in their several departments, arrange them in their proper places, and exercise the necessary care over them during the Fair.

6. Exhibitors will be careful to have their animals and articles arranged in their proper places, and in season; otherwise they will be overlooked by the Viewing Committee.

7. All animals and articles intended for exhibition must be entered before 11 A. M., of the second day of the Fair, and must be arranged in their appropriate places by 12 o'clock M., of the second day.

8. Cards will be furnished, with the number as entered at the office. Exhibitors will be careful to place these cards upon or near the articles or animals, so that the Judges will have no difficulty in finding them.

9. No person will be allowed to act as Judge of any class in which he is a competitor, and no premium will be paid to persons violating this rule. No member of the Executive Committee shall appoint a Judge in any class where he is an exhibitor, or act as Judge in any class.

10. No horses or other animals will be allowed to be tied within the grounds, except to the racks provided for that purpose.

11. No articles or animals intended for exhibition can be taken from the ground before 3 o'clock P. M., of the last day of the Fair, and no premiums will be paid on articles or animals removed in violation of this rule.

12. No animal or article shall be entitled to more than one premium, except as provided for by the Premium List.

13. The books of entry shall not be examined by any person until after the award of the Judges.

14. It shall be the duty of the Viewing Committee, at or before 10 o'clock A. M., to place on the animal to which was awarded the first premium a blue badge or card; on the one to which the second premium was awarded, a red badge or card; and on the one to which was awarded the third premium, a white badge or card.

15. Any owner of stock or articles on exhibition, or any member of the Society who shall in any way attempt to influence the decisions of the Committee, shall forfeit all claims to a premium. Any member who shall refuse to obey the Marshall, when acting within his sphere of duty, shall be expelled from the Society.

16. Premiums must be applied for before the Annual Meeting of the Executive Committee, in January; otherwise they will be considered as donated to the Society.

17. No spirituous or malt liquors will be allowed upon the ground.

NIGHT WATCH.

A suitable Police Force will be kept on duty at night to protect the animals and other property which may remain on the ground.

INSTRUCTIONS TO JUDGES.

1. The Judges are requested to report themselves at the office of the Secretary before ten o'clock of the second day.

2. When a majority of the Viewing Committee are present, they shall constitute a quorum, and are authorized to award premiums; and the first named on the list of those present shall be Chairman.

3. No animal or article shall be awarded a premium if the Judges shall unanimously deem it unworthy, though there be no competitor.

4. Domestic manufactures, needle and shell work, etc., must have been manufactured in the State within the past ten years in order to entitle the competitor to a premium.

5. All reports of Viewing Committees shall be in writing, signed by the members of the Committee assenting thereto; and it is desirable that each Committee shall, so far as possible, give reasons for its decisions; and premiums shall be conferred on the award of the majority of any such Committee,

6. The Judges are requested to make their report to the Secretary, at his office, at or before 10 o'clock A. M., of the last day of the Fair, without fail.

ORDER OF EXERCISES.

First Day.—The first day will be devoted to the entry of stock and articles intended for exhibition, and the decoration of Floral Hall.

Second Day.—Entries will be issued up to 11 o'clock A. M.

Third Day.—At 10 o'clock A. M., the Executive Committee will hold a meeting at the Stand on the ground, for the purpose of filling vacancies in the Viewing Committees, and to deliver to the Committees the books of entry. All the members of the Viewing Committees are desired to attend promptly at the meeting. A general attendance of the members is also requested, to enable the Committee satifactorily to fill vacancies.

At 11 o'clock A. M., the several Viewing Committees will receive their books and commence their examinations.

The examination and exhibition of all horses entered, except trotting stock, will take place in the ring for that purpose, commencing at 11 o'clock A. M., and will be taken up according to classification in the Premium List.

Trotting stallions will also be tested.

At 12 o'clock the reports of the Viewing Committees will be read from the stand.

Single mares and geldings, and double teams, will be tested.

Those entering animals for special premiums must pay ten per cent. on the amount offered to compete.

All contests of speed will be made best three in five, to harness, unless otherwise specified.

ENTRIES.

Entries can be made at any time after September 17th, and all who can will find it to their advantage to make entries before the opening day of the Fair.

Make up your mind in which class or classes you desire to enter your stock, etc., for exhibition, and don't expect the Secretary to decide for you.

Remember that any article not classified must be entered in the Miscellaneous Department.

Those entering stallions to remain on the ground over night should make early application for stalls, as the Association will charge this year $1.00 for each stall.

Hay and straw will be provided daily for all horned stock, horses, and sheep, actually on exhibition, free of cost.

AWARDING COMMITTEES.

The members of Awarding Committees must report to the Secretary at or before 10 A. M., Wednesday, September 28th, so that they may be instructed as to the manner of making their reports under the new entry system adopted last year, and receive their badges and admission tickets.

The reports of the Awarding Committees shall be signed by all the members thereof, and returned to the Secretary's office as soon as possible.

BREED GOOD HORSES.

The Celebrated Hambletonian Trotting Stallion,

NATHAN MILLS!

Will be continued in the stud for the Fall Season, at the nominal rate of $25.00 for services, at my stables two miles north of Ypsilanti City.

NATHAN MILLS was never regularly trained until 1881, when he was placed in the hands of Mr. George Voorhis, of Detroit, who regards him as one of the speediest stallions in America, he having frequently trotted quarters in 32½ to 35 seconds. Nathan's colts are uncommonly well gaited and in many instances are showing marvelous turns of speed, and are commanding as high prices as the get of any stallion that has ever stood in the state.

SPECIAL PREMIUMS.—I will offer at this Fall Exhibition of the Eastern Michigan Agricultural Society for the get of my stallion Nathan Mills, the following purses. Test trotting; best two in three, half-mile heats; three to enter, two to start.

First, $12.00; Second, $8.00; Third, $5.00

My object is to see an exhibition of as many of his colts as possible. Judges to be disinterested and appointed on the grounds.

REFERENCES.—Geo. W. Voorhis, Detroit; W. H. Tousey, Bay City; C. M. Hill and Mr. Miller (driver Sue Grundy), East Saginaw; W. H. Hawkins, Ypsilanti.

THE THOROUGHBRED STALLION,

SCOTCHMAN!

Will be continued in the stud for the Fall Season, at Snow's Livery Stable in Ann Arbor, at the low rate of $15.00 for services.

SPECIAL PREMIUMS.

We will offer at this Fall Exhibition of the Eastern Michigan Agricultural Society, for the get of Scotchman, the following premiums:

Best Yearling	$10 00	$5 00
Best Suckling	7 00	3 00

Our object is to see an exhibition of as many of his colts as possible. Judges to be disinterested and appointed upon the grounds.

REFERENCES.—All parties who own or have seen any of his get.
